THE 10th REPORT OF THE MADOC MEMORIAL HOSPITAL

THE number of Patients received for treatment during the year ending March 31st, 1929, was seriously interfered with for the first three months of 1929, owing to the uncertainty as to when the Hospital would be closed for re-building. No Midwifery cases were undertaken, and it was not advisable to admit any very serious cases. The inclement weather delayed moving the Hospital for several weeks.

Details of the year's work are as follows :—

BUILDING.—In the last Report there was a long paragraph dealing with the Committee's views on this matter. Since then, quick decision has become urgent owing to the imperfect water supply and faulty sanitation, constituting a menace to the health of the Staff and Patients. It was consequently, after much consideration, decided to re-condition and enlarge the Garth premises. The Committee have been most fortunate in securing the able services of Mr. O. J. Roberts, Tuhwnti'rbwlch, as Hon. Secretary to the Building Committee. Under his direction the work was soon started, and has made steady progress, and it is hoped that the new premises will be ready for occupation early in September. Special consideration has been given to make the Operation Theatre equal in all respects to modern requirements; to save labour, rendering unnecessary any increase of Staff (unless the work becomes heavier); and to make sanitation as near perfection as possible.

TEMPORARY HOSPITAL.—The Subscribers and Committee are under a deep debt of gratitude to Major C. E. Breese for the kindness in lending Morfa Lodge for use while the alterations at Garth are in progress. This means a very large saving in expense, as otherwise temporary premises must have been rented. The Committee felt that to close the Hospital entirely was impossible because of the contract for free admission to the many weekly contributors.

STAFF.—Sister Walker has continued to carry out her duties as Matron with the same whole-hearted devotion to the welfare of the Hospital and the Patients. The work of the two Probationers, Nurse Florence Edwards and Nurse Eluned Pritchard, has been most satisfactory, and they, with gained experience, have been more helpful to the Matron. Staff Nurse Ceridwen Edwards left after staying many months to specially oblige the House Committee, and all much regretted her departure, but the Committee were most fortunate in securing the services of Nurse Jones Williams, whose interest in the work is very apparent. She willingly fell in with any alteration of rules during the dislocation of ordinary work,—the undertaking of Midwifery Cases not being possible in the Temporary Hospital.

EMPLOYEES WEEKLY CONTRIBUTIONS.—Several more Bodies of Employees have joined the Scheme during the past year. The Committee much wish that this contribution of 3d per week could be made universal for all Workmen residing in the area served by the Hospital. It means a regular income that can be relied on for Maintenance, and a freedom from all expense when sickness comes to the Worker or his dependants. The Scheme gives free treatment and

operations at the Madoc Memorial Hospital to the Man, Wife, and Child up to 16 years of age. The Fee for X. Ray treatment at any Hospital is also paid (exclusive of Railway Fare).

TINFOIL.—Mrs. Greaves, the President, again thanks those who have helped with this collection, and hopes all will persevere to procure still larger quantities. The first consignment brought in £2 12s 5d, and the payment for the second consignment should have been received before the end of the year, but was hold back by the Works undergoing repairs.

ANNUAL MEETING.—The Executive Committee decided to hold this over until September, when the New Building would be ready for occupation. It was felt that some revision of the organization and the rules might be necessary or advisable.

THANKS.—Again a Special List of Gifts, as accurate as possible, is given ; and to the Contributors on Pound Day we tender grateful thanks.

Also, as the Annual Meeting is deferred, we feel the Subscribers would wish, in this Report, to thank most heartily for their valuable services :—Mr. Walter Roberts, Hon. Secretary ; Mr. W. G. Williams, Hon. Treasurer ; and Mr. W. Roberts and Mr. Owen Jones, for auditing the Accounts for many years ; also Mrs. J. T. Jones, Hon. Secretary to the House Committee, on whom falls the heaviest portion of the work ; and to Mrs. W. Thomas, Bank Place, the energetic Hon. Financial Secretary.

In conclusion, a memory of a lost friend, Mrs. John Evans, 9 High Street, passed away during the year. Only those very intimately connected with the work of starting the Hospital know how she gave of her time and labour to get it furnished and ready for use. As long as health and strength allowed, she took the deepest interest in all that concerned the Madoc Hospital, and gave many Gifts. May her example spur us all on to persevere in our efforts to make the Madoc Memorial Hospital a perfect minor institution to serve the needs of a Rural District.

CONSTANCE GREAVES, *President.*

J. BEATRICE BREESE, *Chairman. Executive Com.*

W. G. WILLIAMS, *Hon. Treasurer.*

WALTER ROBERTS, *Hon. Secretary.*
